Letter from General Manager

Dear Residents,

We have made it through June and the Camp Ground is in High gear for the summer activities and programs.

Our annual Association Meeting will be held on July 29th in the activity building. Sign-in begins at 9:00 a.m. and the meeting will be called to order promptly at 10:00 a.m. You will have an opportunity to hear about all of the positive work that has been happening over the past year, discuss upcoming issues, and vote for the trustees that will represent you. I encourage every resident to attend. Please mark your calendar as a reminder.

As the weather warms up, the number of golf cars in use around the grounds will be increasing. I want to remind everyone about a few LCG rules related to these cars. Golf cars shall be operated only by responsible LICENSED drivers who shall follow all traffic rules. Therefore, you are not permitted to allow your child or grandchild to drive the golf car (even if you are in the passenger seat) unless they are licensed. Also, golf car drivers are obligated to follow the same traffic rules as regular vehicular traffic, especially our speed limit and stop signs, Let's all have a fun and safe summer!

The 3 C's in life: Choice, Chance and Change.

You must make a Choice and take a Chance, if you want anything in life to Change.

Butch Friedrich
General Manager

From the Office

I would like to introduce Lois Stewart to the office staff. She will be the primary lease person as well as other jobs as she learns how things are done here at The Grounds (and I can release control).

Also we would like to welcome John to the maintenance staff. John may look familiar since he is also one of our lifeguards. He will be helping Terry, Jeremy & Mike out and about on The Grounds.

Please make both of these new employees feel welcome!

Bob Evans flyer attached for both July and August. Put them on the refrigerator for later use.

Trash

All trash at your cottage is to be bagged and put out on Monday and Friday.

If you take large items to the dumpsters you cannot set it on the ground, it must be put in the dumpster. The city does not pick up trash around the dumpsters.

Traci Timmons and her staff are doing a wonderful job welcoming our visitors. If you have some time available, they would love to add you their team. Traci says any amount of time would be greatly appreciated. Please give her a call at (937) 309-2160.

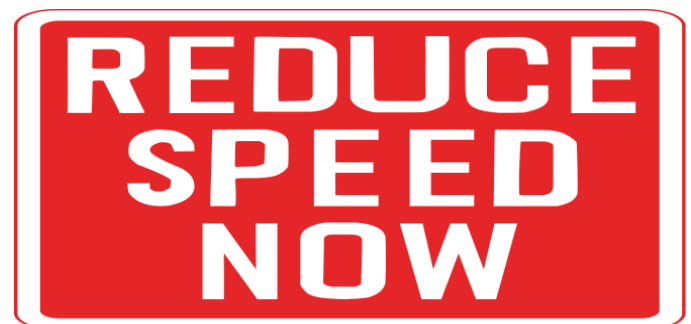

Donations of Pepsi products and water are still needed. If you could pick up an extra case when shopping and drop it off at the Maple Leaf that would be awesome! Also donations of swim diapers would be a blessing. Sometimes caregivers forget or don't bring an extra.

Pool

Cherie and Jennifer are very busy up at the pool and have a staff of great lifeguards. Please make sure you follow all the rules while you're there to keep everyone safe. Reminder children under 12 must have an adult or guardian with them the entire time they are at the pool.

Lots of people have scheduled pool parties this year. Please be patient with the guests that come to the pool and may park in undesignated areas. They don't know the grounds like you do. Politely ask them to move and help them find a place to park close by.

Reminder the max speed here on the grounds is 10 mph. The summer season brings our children out to play, ride bikes, and walk. Please help watch out for the kids at play!

Happy Birthday:
