## Letter from General Manager

Dear Residents,

This week begins my 34<sup>th</sup> week as your General Manager. These prior months have been a time of introduction, learning and growth. My job is very demanding and time consuming. Such a job as this demands a competent and loyal staff, a no General Manager can be at all places at all times. Therefore, I would like to express my appreciation to all the employees of the Camp Ground and thank them for their support and cooperation. I also want to offer my personal thanks to all the committee members and the many volunteers for the work they have done and continue to do. We are all fortunate to be part of a very special acreage set aside in the city of Lancaster. Many have come and gone in the years since the Camp Ground's inception. Due to time and circumstances we have been entrusted to perpetuate what people over a hundred years ago had the vision to establish. Our Camp Ground will continue to be a place of beauty and inspiration if we all continue to assist each other in any way we can. No one person can make this Camp Ground a success. It takes many who want nothing but the best for the Lancaster Camp Ground.

Butch Friedrich  
General Manager

The Board of Trustees and the Office Staff are making efforts to streamline the Annual Association Meeting this year. We have made some adjustments to the Agenda and obtained outside tellers to count paper ballots votes so that we can continue the meeting throughout that process.

**Please return to the Office ASAP. You can put it in the mail slot, drop off or mail.**

## **Are you Sleeping?**

It is a great honor and privilege to live in the United states of America. Many people around the world long for the freedom that we take for granted here. Freedom is not free. Countless people have made great sacrifices of time, talents and given their lives to obtain and maintain our freedom. We must not fall asleep! We must be alert to preserve our freedom everyday through prayer and through exercising our duty to pay attention to what is happening in our nation. We must fulfill our duty to participate in every way that God calls us. It is our responsibility to preserve our freedom for future generations through voting and speaking out for what is right.

It is also a great honor and privilege to live on the beautiful, historic Lancaster Camp Ground. Countless people have contributed to preserve our Christian heritage and to participate in the life of our community. We must not fall asleep! We must be alert to preserve our community everyday through prayer and through exercising our duty to pay attention to what is happening on these grounds. We must fulfill our duty to participate in every way that God call us.

**You need you to participate in the upcoming Association Meetings.** We have set a Special Association Meeting for June 24<sup>th</sup> to discuss proposed changes to the Constitution. We need you to be involved. We need you to plan to attend the Annual Association Meeting on July 29<sup>th</sup> with the main business to be the election of three new Trustees to our LCG Board and the election of committee members. **We also need cottage owners to consider becoming a candidate for Trustee. Please fill out the Nomination form and submit it to the Office by May 19<sup>th</sup>.**

I love this quote from Arthur C.A. Hall (b. 1847)  
**“God has a purpose for each one of us, a work for each one to do, a place for each one to fill, an influence for each one to exert, a likeness to his dear Son for each one to manifest.”**

*That the life also of Jesus might be made manifest in our mortal flesh.*

*2 Corinthians 4:11*

# Pool

Things are in full swing preparing for Pool Season. The pump house is about finished, fencing is going up. Mike power washed last week. Painting will begin as soon as the rain stops. Terry is planning on filling the pool on May 20<sup>th</sup> for opening day May 27<sup>th</sup>. Stop by the office for your Season Memberships or tickets. They will be offering Pool Parties again this year. Cherie is hoping to line up instructors swim lessons.

Traci Timmons is going to be in charge of the Maple Leaf this year. Laura is working with her to make a smooth transition. Snack shopping should be fun!

Speaking of shopping...While you are out shopping, pick up an extra case of Pepsi, Diet Pepsi, Mt. Dew, Dr. Pepper, Root beer, Twist or 16oz Water bottles to donate. These are big sellers at the Maple Leaf and this is an easy way to help increase profits.

They are looking for Life Guards as well as volunteers to work the Maple Leaf. If you or someone you know is able to help let Cherie or Traci know.
